It has been noted in CS file 92-21(85 3-7) page 3 that the question may be brought for the present as a financial stringency. It is a point to be considered whether the question be again taken up & provision made in the next year's Budget, in which case the file should be consulted or to inform the Rev. Comr, that the matter has been put ~~to~~ ~~the~~ till funds are made available for the same.
